User Manual

■ Safety Information

RISK OF ELECTRIC SHOCK OR BURNS.

- Make sure the power is OFF on the bulb you are replacing.
- Wait until the bulb cools down and then replace it.
- Do not install the bulb with wet hands or when standing on wet or damp surfaces.
- Suitable for use in operating environment between -20°C and 40°C (-4°F and 104°F).
- Not for emergency lighting.
- Radio-frequency / Max transmission power: 2400-2483.5MHz, 20dBm.

■ Installation Guide

1. Download the Meross app.

2. Swap the current bulb with your Meross smart bulb.*

* Metal lamp shades may decrease your Meross smart bulb's performance.

3. Set up the device.

- (1) Make sure your smart device is covered by strong Wi-Fi signal.
- (2) Download the Meross app.
- (3) Launch the Meross app and log in to your account, or if you are a new user, tap Sign up to create a new account.
- (4) Tap the “+” icon to select the type of smart device you want to add,

then you can just follow the setup wizard to finish configuration.

Note:

Should you have any question, please visit <https://www.meross.com/support/>.

■ FAQ

At Meross, we strive to assure your satisfaction. Attached below is a non-exhaustive list of questions that users are mostly concerned about.

1. How do I reset my Meross smart bulb?

Turn the light switch controlling the bulb to OFF first, then flip the light switch on and off 5 times.

Note that factory reset the smart bulb will erase all of your custom settings, and you'll have to set it up again.

2. Can I dim my Meross smart bulb with standard in-wall dimmer?

No. Meross smart bulb does not support standard in-wall dimmer. You can dim it via Meross app.

■ **Warranty**

Meross products are covered by a 24-month limited warranty from the date of purchase. Please visit <https://www.meross.com/support/warranty> for detailed warranty policy and product registration.

■ **Disclaimer**

1. The function of this smart device is tested under a typical circumstance described in our specifications. Meross does NOT guarantee that the smart device shall perform exactly the same as described under all circumstances.
2. By using third-party services including but not limited to Amazon Alexa, Google Assistant, Apple HomeKit and SmartThings,

customers acknowledge that Meross shall not be held liable in any way for the data and private information collected by such parties. Meross's total liability is limited to what is expressly covered in its Privacy Policy.

3. Damages arising from ignorance of the SAFETY INFORMATION shall not be covered by Meross aftersales service, nor does Meross take any legal responsibility therefrom.

Customers acknowledge understanding of these articles clearly by reading this manual.
